

Businesses

Brighten your financial forecast, market your restaurant to area residents, welcome back current customers and create new relationships.

The Business Showcase is one of the most fun Chamber events of the year, with estimated attendance of 1,000 residents and business owners. Don't miss this opportunity to showcase your best service and product directly to consumers.

The Business Showcase is held at Northville High School, 45700 Six Mile Road. This site provides plenty of parking, easy drop off and pick up for vendors and large indoor show space.

Fun for all ages!

Businesses are encouraged to have fun with their displays, to decorate their booth and have giveaways that reflect this year's theme of MARCH MADNESS. Contact the Chamber if you need ideas or assistance.

The Business Showcase is also an excellent opportunity to collect contact information of potential customers by providing a drawing for raffle items at your booth.

People's Choice Awards

People's Choice Awards in two categories are voted on each year by event participants. Winners receive a plaque, recognition in the Northville Record and in the Chamber newsletter.

Apply Today!

Exhibit spaces will be allocated on a 1st come, first received basis.
