# 2011 CAR TUNES FALL FESTIVAL

# CHAMBER FACELIFT

Presented by:

Neither wind or wind, or even more wind, could deter the 2011 Car Tunes Fall Festival. Over 50 classic cars were showcased in the streets of Downtown Northville, and were entertained by the 50's band the Bel Airs and Global Village at Town Square.

Special thanks to all our sponsors, and we'll keep working on a little more "Fall Friendly" weather for next year.

The Chamber of Commerce will be recognized with a 2011 City of Northville Beautification Award at a luncheon on Tuesday, October 11. Beautification Awards are presented to City and Township businesses for their efforts in beautifying and maintaining their property to keep the community a desirable location to live, work and play.

Jack Kelly from Imagine Landscape (248-721-1340) has transformed the Chamber's exterior landscape into a beautiful garden. Coupled with a fresh coat of paint, provided by Charles Burke Painting, the Northville Chamber of Commerce is a beautiful gateway into downtown Northville.

**7 Mile Road Master Plan**

As a result of data collected, input from the Green Ribbon Committee and Township Board of Trustees and professional expertise of the design team, four conceptual plans have been generated to illustrate potential designs for the future redevelopment of the 7 Mile Road property. The four plans represent different approaches to redevelopment of the 350-acre property, former site of the Northville State Regional Psychiatric Hospital. While each plan identifies a different approach to transforming the central portion of the site from its previous use to a park, preservation of the key natural features located on the eastern and western thirds of the site are common elements among all four designs. Each of the plans can be viewed on the township’s website: [www.twp.northville.mi.us/conceptplans](http://www.twp.northville.mi.us/conceptplans). Each plan includes a summary of the design approach, the conceptual plan and a feedback form. Please take the time to review each of the four concept plans and complete the form associated with each plan. Additionally, please forward the link onto other interested members of the community.

The plans will be available for public comment until October 15, 2011. At the conclusion of the public comment period, the data will be tabulated and the feedback used to prepare the preferred alternative plan. The conceptual plans have been prepared to generate discussion and feedback, it is anticipated that the preferred alternative will be a variation of the four concept plans.

**US Lacrosse Tournament**

The US Michigan Lacrosse Tournament will take place at Northville Community Park on November 5 & 6, 2011. Event organizers anticipate approximately 2,300 people will attend over the two day tournament.

The Planning Department provides a monthly listing of all new development. The map is available on the township’s website: [www.twp.northville.mi.us](http://www.twp.northville.mi.us), or from the Planning Department.

The Northville Township Economic Development Corporation has a brochure available for distribution. The brochure contains specific information about Northville Township and information about the community in general. The brochure is titled Northville – LIVE, WORK AND PLAY. The brochure is free and can be obtained at the Township Hall. The township office hours are 8:00 AM – 4:30 PM. The planning department can be reached at 248-348-5800, ext 10128.
