FAQ's

What if you lose your check?

Losing a Northville Gift Check is basically the same as losing cash or a personal check made out to a second party. Anyone who finds this check becomes the bearer and could use it for purchases at the participating businesses. Lost checks will not be reimbursed by the Chamber.

What if I don't use the Gift Check before the expiration date?

If a recipient has an expired Gift Check, you can simply return it to us at the Chamber and we will provide a new check .

What happens when I take this check to a participating Chamber business?

Make sure they are aware you will be using your gift check, and pay for your purchase the same as you would with a personal check. Write the business on the "Pay to the order of" line. Merchants receiving Gift Checks may decide whether or not to give back change or a store credit on a purchased item less than the face value of the check.

NORTHVILLE GIFT CHECK PROGRAM

Northville Gift Checks are a great way to give a special gift while also supporting your local merchants.

You can redeem your Gift Checks at any of the shops and eateries listed in this brochure.

We thank you for shopping local!
