11am - 2pm
Northville High School**

Retail • Service • Community... all in one place

The Northville Marketplace is a great opportunity for businesses to showcase their products and services to an estimated 1,000 attendees.

Network, showcase your business and gather leads.

This one day event is open to the public and will feature over sixty (60) local businesses including: retail and service businesses, artisans, financial institutions, community and educational groups and restaurants just to name a few.

Event Highlights:

- Exhibitors may sell merchandise, along with providing give-a-ways at their booths. Consider selling memberships, gift cards, event tickets and other services which makes this an added benefit to yourself and customer. The ability for patrons to pay remotely has made an easy transition.
- Lego competition open to the public
- Free samples of food from area restaurants
- Gift basket raffles from participating businesses

Make the most of your Northville Marketplace Experience by:

Present your booth as your business front as attendees will be voting on their favorite Restaurant/Caterer Display and Best Business Display. Business winners will receive an award plaque, recognition in the Chamber newsletter, website and social media. The Northville Chamber encourages booths to have give-a-ways, games or contests to attract customers. The winner(s) can be announced throughout the event. Contests provide an excellent way to collect names, emails and addresses for future marketing.
